*Ambystoma opacum* ..... 398

**Animal Behavior**
attendance benefits for female marbled salamanders ..... 398
food habits of wolves in relation to livestock depredations ..... 253
hypothesis concerning ranid breeding interference. ..... 126
male New Zealand mud snails persistence in copulating ..... 88
nest-site fidelity and nesting movements in midland painted turtles ..... 383
pheromone communication in the watersnake ..... 412
spatial patterns of sexual dimorphism in minks ..... 207
wolf spider between-sex variation in running speed ..... 115

**Animal Ecology**
deer browsing Allegheny National Forest ..... 201
moist-soil plant seed production for waterfowl ..... 331

**Aquatic Ecology**
densities of eastern chipmunks in farmland woodlots ..... 433
Mammoth Spring crayfish ..... 358
new records of the crystal darter ..... 471
Arkansas, native soil quality ..... 28

*Bufo boreas* ..... 375
*Castor canadensis* ..... 217
*Ceuthophilus secretus* ..... 97
*Chrysemys picta marginata* ..... 383

**Conservation Biology**
biology and conservation of the monarch butterfly ..... 479
implications of rural mail carrier survey data ..... 178
quality of original and reconstructed tallgrass prairies ..... 55
reclaimed surface mine lakes ..... 67
redevelopment of black oak savanna ..... 11

*Corynorhinus rafinesquii* ..... 442
*Crytobranchus alleganiensis* ..... 135
*Crystallaria asprella* ..... 471

**Endangered and Threatened Species**
den-centered analysis of swift fox ..... 229
life history of imperiled Mammoth Spring crayfish ..... 358
soil characteristics of the threatened eastern prairie fringed orchid ..... 273

**Entomology**
aphid-tending ants affect secondary users in leaf shelters ..... 296
biology and conservation of the monarch butterfly ..... 479
foraging range and habitat of *Ceuthophilus secretus* (cave crickets) ..... 97
wolf spider between-sex variation in running speed ..... 115

*Etheostoma zonale* ..... 166
*Etheostoma olmstedi* ..... 166
*Euphorbia esula* L. ..... 342
*Gopherus polyphemus* ..... 143

**Herpatology**
attendance benefits for female marbled salamanders ..... 398
herpetofauna changes of Theodore Roosevelt National Park ..... 423
interspecific amplexus between western North American ranid frogs ..... 126
life history of the hellbender ..... 135
mating and nesting behavior of the eastern hognose snake ..... 474
nest-site fidelity and nesting movements in midland painted turtles ..... 383
patterns of folivory and seed ingestion by gopher tortoises ..... 143
pheromone communication in the watersnake ... 412
ultraviolet-b radiation and mortality in juvenile western toads ..... 375

*Heterodon platirhinos.* ..... 474
*Hibiscus moscheutos* L. ..... 286

**Ichthyology**
*Etheostoma olmstedi* sympatry with a non-native darter ..... 166
new records of the crystal darter in the middle Mississippi River ..... 471
response of fish assemblages to winter in warmwater streams ..... 152

Illinois, Chautauqua National Wildlife Refuge waterfowl ..... 331
dispersal and survival of juvenile beavers ..... 217
macroinvertebrates in surface mine lakes ..... 67

**Invasive Species**
introduced American bullfrog ..... 126.
invasion biology: critique of a pseudoscience (book review) ..... 268
theory and preliminary analysis of species invasions from ballast water ..... 459

**Invertebrate Zoology**
asexual and parasitically castrated female New Zealand mud snails ..... 88
cocoon deposition and hatching in the aquatic leech ..... 78
cost of leg autotomy in the wolf spider ..... 115
distribution, habitat use and life history of Mammoth Spring crayfish ..... 358
diversity and community structure of littoral zone macroinvertebrates ..... 67
foraging range and habitat of *Ceuthophilus secretus* ..... 97

key trogloxene in central Texas cave communities ... 97

Kansas, population dynamics of wild turkeys ... 178
Kentucky, forest vegetation and soil patterns ... 1

**Mammalogy**
atypical acorns allowing seed escape after apical notching by squirrels ... 450
deer browsing creating rock refugia gardens on large boulders ... 201
den-centered analysis of swift fox ... 229
densities of eastern chipmunks in farmland woodlots ... 433
dispersal and survival of juvenile beavers ... 217
evening bat maternity colony in Michigan ... 264
food habits of wolves in relation to livestock depredations ... 253
population dynamics of harvest mice ... 240
spatial patterns of sexual dimorphism in minks ... 207
tree roosts of Rafinesque's big-eared bat in southeastern Mississipi ... 442

Maryland, predispersal seed predation ... 286
*Meleagris gallopavo* ... 178
Michigan, evening bat maternity colony movement in midland painted turtles ... 264
Minnesota, food habits of wolves ... 253
Mississippi, big-eared bat roosts ... 442
impact of shorebirds ... 88
Missouri, Mammoth Spring crayfish ... 358
crystal darter records ... 471
*Mustela vison* ... 207
*Nerodia sipedon* ... 412
New Mexico, swift fox ... 229
New Zealand, mud snails ... 88
North Dakota, herpetofauna changes ... 423
*Nycticeius humeralis* ... 264
Ohio. predispersal seed predation ... 286
*Orconectes marchandi* ... 358

**Ornithology**
impacts of shorebirds on macroinvertebrates ... 188
population dynamics of wild turkeys ... 178

Pennsylvania, deer browsing ... 201
*Phlox divaricata* L. ... 42
*Pirata sedentarius* ... 115

**Plant Physiology**
interacting factors on the growth and mortality of juniperus seedlings ... 320
native soil quality and the effects of tillage ... 28
nitrogen-amended old field ... 240

**Plant Population Ecology**
population of *Phlox divaricata* L. ... 42

*Platanthera leucophaea* ... 273

**Population Ecology**
changes in the herpetofauna of Theodore Roosevelt National Park ... 423
habitat shift of a native darter ... 166
population dynamics of harvest mice ... 240
population dynamics of wild turkeys ... 178
population of *Phlox divaricata* L. ... 42
*Populus deltoids* ... 271

*Potamopyrgus antipodarum* ... 88
*Quercus velutina* Lam. ... 11
*Rana catesbeiana* ... 126
*Reithrodoentomys fulvescens* ... 240
*Reithrodoentomys montanus* ... 240
*Salix hookeriana* ... 296
*Tamias striatus* ... 433

**Taxonomy**
southeastern pine savanna ... 143
Texas, foraging habits of *Ceuthophilus secetus* ... 97
*Theromyzon tessulatum* ... 78

**Vegetation Ecology**
apical notched acorns appearing to allow seed escape ... 450
dispersal of leafy spurge (*Euphorbia esula* l.) seeds in the feces of wildlife ... 342
effect of pulsing on macrophyte productivity on *Hibiscus moscheutos* L. ... 305
forest vegetation and soil patterns ... 1
interacting factors on the growth and mortality of juniperus seedlings ... 320
moist-soil plant seed production for waterfowl ... 331
native soil quality and the effects of tillage ... 28
population of *Phlox divaricata* L. ... 42
quality of original and reconstructed tallgrass prairies ... 55
rates of herbivory on *Salix hookeriana* in a coastal dune habitat ... 296
redevelopment of black oak savanna ... 11
soil characteristics of the federal threatened eastern prairie fringed orchid ... 273
variation in predispersal seed predation on *Hibiscus moscheutos* L. ... 286

*Vulpes velox* ... 229
West Virginia, life history of the hellbender ... 135

**Errata:**
avian use of successional cottonwood (*Populus deltoids*) woodlands middle Missouri River (Volume 152: 1, July 2004) ... 271

**Book Reviews**
invasion biology: critique of a pseudoscience. ... 268
monarch butterfly: biology and conservation ... 479
